

**The Society for
Ambulatory
Anesthesia:
Working for you!**

The Society for Ambulatory Anesthesia is dedicated to bringing its members the most up-to-date information in the field of ambulatory anesthesia.

We welcome feedback from our members on how we can best serve your educational, practice, and networking needs.

If you have any questions about SAMBA membership or would like to learn more about our organization, please visit us online at www.sambahq.org or email us at info@sambahq.org at any time.

330 N. Wabash Avenue

The Society for Ambulatory Anesthesia represents physicians practicing ambulatory, office-based, and non-operating room anesthesia.

We provide educational opportunities, encourage research, and provide professional guidance in order to advance the practice of ambulatory anesthesia around the world.

Join your colleagues and sign up for membership with the Society for Ambulatory Anesthesia today!

The Society for Ambulatory Anesthesia responds to the education and research needs of perioperative physicians practicing ambulatory anesthesia. Founded in 1985, SAMBA enjoys a membership of over 1,200 physicians currently practicing ambulatory, office-based, and non-operating room anesthesia around the world.

The Society for Ambulatory Anesthesia strives to keep the medical profession and the public informed about the role of anesthesiologists in the perioperative care of patients undergoing ambulatory surgery.

SAMBA Membership offers high-quality education, leadership and engagement opportunities with national and international healthcare organizations, professional collaborations, practice resources, and much more.

PAST AND FUTURE MEETING TOPICS INCLUDE:

- PATIENT SELECTION FOR AMBULATORY SURGERY
- REGULATORY AND LEGISLATIVE ISSUES
- NORA AND MAC SEDATION: SAFETY, MONITORING & DELIVERY
- ASC EMERGENCIES
- ECONOMIC AND PRACTICE MANAGEMENT ISSUES
- OBESITY, OSA AND CHRONIC PAIN
- AIRWAY MANAGEMENT IN AMBULATORY SURGERY

SAMBA Annual Meeting

The SAMBA Annual Meeting is a three-day meeting held in late spring each year. SAMBA members receive an exclusive registration discount. The meeting offers general sessions, problem-based learning discussions, ask the expert sessions, poster viewing, an exhibit hall geared towards your practice, social events, and much more. Earn Category 1 AMA PRA Credits while learning about hot topics in ambulatory anesthesia from leading experts in the field. The 33rd SAMBA Annual Meeting will be held in Miami, Florida on May 3-5, 2018.

SAMBA E-Newsletter

The SAMBA E-Newsletter is a great way for members to stay up-to-date on society and industry news. Past issues of the newsletter are available to members on the website at any time, and the current issue is emailed to all members upon its release.

SAMBA Webinar Series

The SAMBA Webinar Series is an online educational series exclusively available for SAMBA Members. Produced in association with the SAMBA Resident Section, the SAMBA webinar series focuses on hot topics in your field and includes Q & A with the presenters. Past topics have included:

- Perioperative Management of CIEDs
 - SEDASYS
 - Extremes of Age
 - PONV
- And more!

Clinical Practice Guidelines

The Society for Ambulatory Anesthesia, as a leading voice in the field, creates clinical practice guidelines to improve and enhance your practice. SAMBA members receive access to these resources, and are consulted in the creation and revision of new guidelines.

Discussion Forums

The SAMBA Website offers members the opportunity to interact with each other through the SAMBA Discussion Forums. Share ideas, network with colleagues both near and far, and connect with SAMBA leadership using this valuable resource. Discussion forums specifically for residents and Spanish-speaking members are now available!

Affiliate Organization & Affinity Sponsor Discounts

SAMBA has partnered with leading organizations and companies to provide our members with exciting membership and supplies discounts. SAMBA members can now receive discounted IARS & MHAUS Membership.
