

SAMBA 32ND ANNUAL MEETING

MAY 4-6, 2017

JW Marriott Camelback Inn
Resort & Spa
Scottsdale, AZ

Jointly provided by

American Society of
Anesthesiologists®

SOCIETY FOR
SAMBA ULATORY
ANESTHESIA

Register online at www.SAMBAhq.org/AnnualMeeting

Program Schedule

Wednesday, May 3

5:00 pm – 6:30 pm Registration Open

Thursday, May 4

7:00 am – 5:00 pm Registration Open

7:00 am – 8:00 am Continental Breakfast

8:00 am – 10:00 am **General Session 1: Ambulatory Anesthesia and Surgery and Healthcare Reform – A Panel Discussion**

Moderator: Brian M. Parker, M.D.

- Regulatory – Don Arnold, M.D.
- Government – ASA DC Office, Manuela Bonilla, M.S.
- Outcome Measures – Leopoldo Rodriguez, M.D., F.A.A.P.
- Perioperative Surgical Home – Douglas Merrill, M.D., M.B.A.

10:00 am – 10:15 am Break

10:15 am – 12:00 pm **General Session 2: Future Challenges in Ambulatory Anesthesia**

Moderator: Keira Mason, M.D.

- Population Health Management Optimized for Ambulatory Anesthesia: Improving the Triple Aim – Arthur Boudreaux, M.D.
- Optimizing Recovery – Tong J. Gan, M.D., M.H.S., F.R.C.A.
- Future Roles of New Anesthesia Delivery Systems and Agents – Keira Mason, M.D.

1:00 pm – 3:00 pm

General Session 3: Practice Management Issues

Moderator: Michael Walsh, M.D.

- Infection Control Issues in Ambulatory – Meena Desai, M.D.
- Legal Vignettes: It's Not Just the Interoperative Course – Christopher Burkle, M.D., J.D.
- Nuts and Bolts of Anesthesia Billing and Coding – Sharron Merrick, M.S., C.C.S.-P.

3:00 pm – 3:15 pm Break

3:15 pm – 5:00 pm **General Session 4: Rapid Fire Pro-Con Debates**

Pre-op Screening Prior to Day of Surgery for OSA Improves Care

Pro: Leopoldo Rodriguez, M.D., F.A.A.P.

Con: Girish Joshi, M.B.B.S., M.D., F.F.A.R.C.S.I

Carefully Selected Ambulatory Patients Can Be Discharged Without an Escort

Pro: Christopher Burkle, M.D., J.D.

Con: Keira Mason, M.D.

Stocking Emergency Succinylcholine Without Dantrolene is Safest

Pro: Meena Desai, M.D.

Con: Michael Walsh, M.D.

5:00 pm – 7:00 pm Welcome Reception with Exhibitors

Friday, May 5

7:00 am – 5:00 pm Registration Open

7:00 am – 8:00 am Breakfast

Moderated Poster Session

7:00 am – 3:15 pm Exhibit Hall Open

Friday, May 5 *(continued)*

8:00 am – 10:00 am	General Session 5: Regional Anesthesia and Pain Topics Moderator: Roy Greengrass, M.D. <ul style="list-style-type: none">• Paravertebral Blocks for Ambulatory Surgery – Roy Greengrass, M.D.• Evidence-based Review of Multimodal Analgesia for Ambulatory Surgery – Eugene Viscusi, M.D.• Evidence-based Review of Motor Sparing Nerve Blocks for Ambulatory Surgery – Ralf Gebhardt, M.D.
10:00 am – 11:00 am	Break with Exhibitors Moderated Poster Session
11:00 am – 12:00 pm	American Society of Anesthesiologists Update – Linda Mason, M.D.
1:00 pm – 3:00 pm	General Session 6: ERAS: Enhanced Recovery After Surgery <ul style="list-style-type: none">• ERAS for Ambulatory Breast Surgery – Hanae Tokita, M.D.• ERAS for Ortho/Total Joint – Eugene Viscusi, M.D.• ERAS for Robotic Hysterectomy and Prostatectomy – Rebecca Twersky, M.D.• ERAS for Ambulatory Bariatric Surgery – Girish Joshi, M.D.
1:00 pm – 3:00 pm	Hands-on Workshop: Basic Regional Ultrasound Workshop Roy Greengrass, M.D.; Alberto Ardon, M.D.; Katherine Dobie, M.D.; Ralf Gebhardt, M.D.; Arun Prasad, M.B.B.S., FRCA, FRCPC
3:00 pm – 3:30 pm	Break with Exhibitors
3:30 pm – 5:30 pm	Hands-On Workshop: Advanced Regional Ultrasound Techniques Roy Greengrass, M.D.; Alberto Ardon, M.D.; Katherine Dobie, M.D.; Ralf Gebhardt, M.D.; Arun Prasad, M.B.B.S. FRCA, FRCPC
3:30 pm – 4:30 pm	Consult the Experts Quality and Safety Issues – Douglas Merrill, M.D.
3:30 pm – 4:30 pm	Problem-Based Learning Discussion (PBLD) Managing the Patient with Severe COPD Presenting for Shoulder Surgery – Fatima Ahmad, M.D. Local Anesthetic Systemic Toxicity: An Atypical Presentation – Irina Gasanova, M.D.
4:35 pm – 5:35 pm	Consult the Experts Quality and Safety Issues – Douglas Merrill, M.D.
4:35 pm – 5:35 pm	Problem-Based Learning Discussion (PBLD) Managing the Patient with Severe COPD Presenting for Shoulder Surgery – Fatima Ahmad, M.D. Local Anesthetic Systemic Toxicity: An Atypical Presentation – Irina Gasanova, M.D.

Saturday, May 6

7:00 am – 5:00 pm	Registration Open
7:00 am – 8:00 am	Breakfast Moderated Poster Session
7:00 am – 10:30 am	Exhibit Hall Open
8:00 am – 9:45 am	General Session 7: Non-operating Room Anesthesia (NORA) Panel Moderator: Srimi Pyati, M.D. <ul style="list-style-type: none">• Optimal Management of OSA Patient in the NORA Setting – Ruchir Gupta, M.D.• Quality and Outcomes for NORA: Process and Measurement – Basem Abdelmalak, M.D.• NPO Guidelines for NORA: What is New and How Does It Affect Anesthesia Providers – Michael Presta, M.D.

Saturday, May 6 (continued)

10:00 am – 10:30 am	Break with Exhibitors Moderated Poster Session
10:30 am – 12:00 pm	General Session 8: Cases from the Real World Moderator: Barbara Gold, M.D.
12:00 pm – 1:30 pm	Business Meeting and Awards Luncheon <ul style="list-style-type: none">• White Mountain Awards• Resident Travel Awards• Excellence and Innovation Presentations and Awards
1:30 pm – 5:30 pm	Office Based Anesthesia Mini Symposium* Moderator: Michael Lam, M.D. <ul style="list-style-type: none">• OBA Patient Selection Pros and Cons, Richard Urman, M.D.; Rosalind Ritchie, M.D.• OBA Emergencies, Thomas Wherry, M.D.• Mobile Anesthesia Equipment/Practice, Stephen R. Smith, M.D.• Billing and Coding in OBA/What Pays in OBA• Accreditation and Safety, TBD• What is the Future of OBA? Thomas Wherry, M.D.
1:30 pm – 5:30 pm	Jeep Tour (Optional)**
1:30 pm – 3:30 pm	Residents-Only Hands-On Workshop: Regional Ultrasound Techniques* Roy Greengrass, M.D.; Alberto Ardon, M.D.; Katherine Dobie, M.D.; Ralf Gebhardt, M.D.; Arun Prasad, M.B.B.S. FRCA, FRCPC
3:15 pm – 3:30 pm	Refreshment Break and Networking
3:30 pm – 5:30 pm	Resident Session
6:30 pm – 9:30 pm	SAMBA Social Event

*Pre-registration required

**Pre-registration and additional fees required

Session Descriptions/Learning Objectives

General Session 1: Ambulatory Anesthesia and Surgery and Healthcare Reform – A Panel Discussion

During this session the attendee will learn about the economic pressures being placed on providers to make healthcare more affordable while maintaining quality and safety, the impact that regulatory bodies have on daily practice and their importance and the use of true outcomes measures for both improving care and driving reimbursement. This session will also focus on the perioperative surgical home and how it can be adapted to the ambulatory environment.

General Session 2: Future Challenges in Ambulatory Anesthesia

During this session the attendee will learn about the Institute for Health Improvement's triple aim – improving the patient healthcare experience, improving the health of populations and improving the cost per capita of healthcare and how anesthesiologists can impact it. This session will also cover enhanced recovery pathways and how these can impact patient satisfaction, through output and cost. New anesthetic agents delivery systems and the applicability to your practice will also be discussed.

General Session 3: Practice Management Issues

This session will focus on a number of practical issues in the management of ambulatory patients including infection control, legal pitfalls and billing and coding issues for ambulatory anesthesia.

General Session 4: Rapid Fire Pro-Con Debates

Controversial ambulatory anesthesia topics will be debated. Participants will have a chance to hear both sides on issues such as timing of preoperative evaluation for OSA, discharging patients without an escort and the necessity of stocking dantrolene.

General Session 5: Regional Anesthesia and Pain Topics

This session will examine the use of regional anesthesia in ambulatory surgery, including paravertebral blocks and motor sparing nerve blocks. The theoretical basis for multimodal analgesia and the existing scientific evidence supporting its benefit in improving pain control after surgery will also be explored.

General Session 6: ERAS: Enhanced Recovery After Surgery

This session examines enhanced recovery protocols and strategies for emerging outpatient procedures including: robotic surgery, major breast surgery, total joint replacement and bariatric procedures.

General Session 7: Non-Operating Room Anesthesia (NORA) Panel

During this session the attendee will learn how to best evaluate and care for patients with obstructive sleep apnea in the NORA setting, learn about the use of quality and outcomes data in the emerging field of NORA, how that data can be used to improve patient care and the application of NORA specific NPO guidelines in that setting.

General Session 8: Cases From the Real World

During this session, attendees will examine actual case scenarios and integrate various methods of care and strategies for preclinical problem solving for ambulatory surgical patients into their daily practice.

Consult the Experts

These small group sessions are specifically designed to provide an opportunity for open and detailed discussions of relevant ambulatory anesthesia and surgery topics. Expert speaker session formats may range from a relatively unstructured "open house", where attendees can stop by and ask specific questions to prepared introductory topic remarks followed by open discussion by the small group.

ASA Update

Attendees will gain an understanding of the American Society of Anesthesiologists' role in an educational, research and scientific association of physicians and delineate how practitioners can use its resources to enhance their patient care and professional activities.

Problem Based Learning Discussions (PBLD)

Attendees will discuss and critique the evaluation, management and implementation of patient care in specific ambulatory clinical scenarios.

Excellence and Innovation Presentations

Attendees will be able to describe focused ambulatory anesthesia knowledge gained through research as presented by scientific abstract awardees.

Hands-On Regional Workshops

Based on participant expertise, attendees will demonstrate both basic and advanced techniques for peripheral nerve blocks using 'single shot' techniques as well as regional catheters for ambulatory anesthetic management. Attendees will also describe common or serious complications of regional techniques and how to both manage and avoid them.

Office Based Anesthesia (OBA) Mini Symposium

Saturday, May 6

1:30 pm – 5:30 pm

For anesthesiologists opening an office-based practice, there are numerous considerations for best designing and operating the practice. This half-day symposium will address patient selection and clinical aspects of performing anesthesia in an office based surgery, as well as the practical issues involved in running an OBA practice.

Session 1 – Office Based Anesthesia: Patient Selection and the OBA Practice

After this session, attendees will be able to:

- Identify appropriate patients for Office Based Anesthesia (OBA) and understand the pros and cons of doing certain patients and/or procedures in the office.
- Explain how to manage MH and other emergencies in office based surgery.
- List the unique aspects of performing anesthesia for emergency situations in an office based surgery.
- Identify practical keys to starting an OBA practice.
- Describe the unique aspects of a mobile anesthesia practice and mobile anesthesia equipment.

1:30 pm – 2:00 pm	OBA Patient Selection Pros and Cons – Richard Urman, M.D.; Rosalind Ritchie, M.D.
2:00 pm – 2:30 pm	OBA Emergencies – Thomas Wherry, M.D.
2:30 pm – 3:00 pm	Mobile Anesthesia Equipment/Practice – Stephen R. Smith, M.D.
3:00 pm – 3:15 pm	Q&A

Session 2 – Practical Management and Future Challenges of Office Based Anesthesia

After this session, attendees will be able to:

- Describe some issues surrounding billing and collections for OBA.
- Understand coding and insurance in OBA.
- List different accreditation requirements and options for office based anesthesia and surgery.
- Discuss patient safety standards, recommendations and algorithms when practicing anesthesia in an office based surgery.
- Formulate a marketing strategy for OBA
- Describe the future direction and challenges of OBA.

3:30 pm – 4:00 pm	Billing and Coding in OBA/What Pays in OBA – TBD
4:00 pm – 4:30 pm	Accreditation and Safety – TBD
4:30 pm – 5:00 pm	What is the Future of OBA? – Thomas Wherry, M.D.
5:00 pm – 5:15 pm	Q&A

Resident Focused Program

Resident Hands-on Workshop

1:30 pm – 3:30 pm

Regional Ultrasound Techniques*

Moderator: Roy A. Greengrass, M.D.

Presenters: Roy Greengrass, M.D.; Alberto Ardon, M.D.; Katherine Dobie, M.D.; Ralf Gebhardt, M.D.; Arun Prasad, M.B.B.S. FRCA, FRCPC

*Registration required, maximum of 30 slots available

Resident Session

3:30 pm – 5:30 pm

Moderator: Steven Butz, M.D.

Adventures in Supervision: Common Pitfalls and Strategies (an interactive role-playing session) – Niraja Rajan M.D.

What to Look for in a Job Offer – Ruchir Gupta, M.D.

The Practice of Anesthesia: A Five Year Outlook – TBA

Jeep Tour

Saturday, May 6

1:30 pm – 5:30 pm

\$178.00 per person

Enjoy this unique opportunity to explore the Sonoran Desert via four-wheel drive vehicles. Each off road vehicle is driven by an Arizona cowboy guide who will entertain and educate your guests with interesting and entertaining facts about the desert and the early settlers that called this rough wilderness home. Learn more and register at www.sambahq.org/JeepTour. (Login: SAMBA, password: SAMBA)

If the minimum of 10 participants is not met, tour will be cancelled and registrants will be notified and reimbursed.

Business Meeting and Awards Luncheon

Saturday, May 6

12:00 pm – 1:30 pm

White Mountain Awards

Resident Travel Awards

Excellence and Innovation Presentation and Awards

SAMBA Social Event: Cinco de Mayo Celebration

Saturday, May 6

6:30 pm – 9:30 pm

Scottsdale Camelback Inn Resort & Spa North Garden

Celebrate Cinco de Mayo with your colleagues and friends in the North Garden with beautiful blooms and a stunning view of Camelback Mountain. Enjoy this tribute to Mexican culture with traditional Mexican cuisine and music!

Exhibit Hall

SAMBA has an exciting exhibit hall with a variety of companies to help improve your practice. Attendees can get hands-on experience with new products and technologies, network with colleagues, browse the abstract posters and win great raffle prizes during the following exhibit hours:

Thursday, May 4

5:00 pm – 7:00 pm | Welcome Reception with Exhibitors

Friday, May 5

7:00 am – 3:15 pm | Exhibit Hall Open

10:00 am – 11:00 am | Refreshment Break with Exhibitors

Saturday, May 6

7:00 am – 10:30 am | Exhibit Hall Open

9:45 am – 10:30 am | Refreshment Break in Exhibit Area

Program and Hotel/Travel Information

Conference Accommodations

JW Marriott Scottsdale Camelback Inn Resort & Spa

5402 East Lincoln Drive
Scottsdale, AZ 85253
480-948-1700

Experience the true spirit of Arizona at the JW Marriott Scottsdale Camelback Inn Resort & Spa.

Situated on 125 acres in the gorgeous Sonoran Desert, the resort's immaculately manicured grounds offer the perfect backdrop for rejuvenation. Unwind in style here in Scottsdale in the hotel's spacious, elegantly appointed private casita rooms, each overflowing with luxury amenities. The resort features a full-service spa, two championship golf courses, exceptional on-site dining, and a heated outdoor pool.

The room rate for SAMBA Annual Meeting attendees is \$275.00 for single/double occupancy, plus applicable taxes. All SAMBA attendees will receive complimentary wireless internet in their sleeping rooms during their stay. Hotel reservations can be made at www.sambahq.org/housing.

All reservations must be guaranteed with a major credit card. The deadline to make your hotel reservation is April 13, 2017. The SAMBA group rate at the JW Marriott is only for those persons that are attending the SAMBA Annual Meeting. SAMBA reserves the right to revoke the group rate for those not registered for the Annual Meeting.

Program Information

TARGET AUDIENCE

This meeting is designed for anesthesiologists, anesthesia providers, practitioners, nurses and administrators who work and specialize in ambulatory, office-based or non-operating room anesthesia.

ABOUT THIS MEETING

The purpose of this meeting is to educate and share information that will enable anesthesiology practitioners to provide the highest level of ambulatory anesthesia services and improve patient outcomes. Topics for this meeting were selected by various methods. Suggestions for topics were derived from evaluations of the 2016 and other previous Annual and Mid-Year Meetings. In addition, the Annual and Mid-Year Meeting Committees and Board members review the published literature with the highest impact on the specialty, and solicit suggestions from members of SAMBA active in the clinical practice of ambulatory anesthesia. These suggestions were discussed with educators who attended previous Annual, Mid-Year and SAMBA Board meetings.

CME ACCREDITATION

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Society of Anesthesiologists and the Society for Ambulatory Anesthesia. The American Society of Anesthesiologists is accredited by the ACCME to provide continuing medical education for physicians. The American Society of Anesthesiologists designates this live activity for a maximum of 24.75 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

DISCLAIMER

The CME activities and information provided at the SAMBA Annual Meeting is for continuing medical education purposes only and is not meant to substitute for the independent medical judgment of a physician relative to diagnostic and treatment options of a specific patient's medical condition.

DISCLOSURE

The American Society of Anesthesiologists remains strongly committed to providing the best available evidence-based clinical information to participants of this educational activity and requires an open disclosure of any potential conflict of interest identified by our faculty members. It is not the intent of the American Society of Anesthesiologists to eliminate all situations of potential conflict of interest, but rather to enable those who are working with the American Society of Anesthesiologists to recognize situations that may be subject to question by others. All disclosed conflicts of interest are reviewed by the educational activity course director/chair to ensure that such situations are properly evaluated and, if necessary, resolved. The American Society of Anesthesiologists educational standards pertaining to conflict of interest are intended to maintain the professional autonomy of the clinical experts inherent in promoting a balanced presentation of science. Through our review process, all American Society of Anesthesiologists CME activities are ensured of independent, objective, scientifically balanced presentations of information. Disclosure of any or no relationships will be made available for all educational activities.

STATEMENT OF NEED

The SAMBA Annual Meeting provides a forum devoted to ambulatory and office-based anesthesia offering clinically relevant lectures, panels and workshops; highlights of innovative ambulatory and office-based practices; networking opportunities with peers and experts in the field; and exposure to relevant products/services of interest to our attendees in the exhibits area.

SPECIAL NEEDS

The Society for Ambulatory Anesthesia fully complies with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If any attendee in this educational activity is in need of accommodations, please contact SAMBA at 312-321-6872.

COMMERCIAL SUPPORT ACKNOWLEDGEMENT

The CME activity is supported by educational grants. A complete list of supporters will be made available in the program guide.

Registration Form (1 of 2)

For quick and easy online registration, visit www.SAMBAhq.org/AnnualMeeting today!

Remember to select your workshops on page 2 of this registration form! Please make a copy for your records.

Early registration deadline is **March 24, 2017**. Early registration is recommended as space is limited. On-site registration for the Annual Meeting will be open at 5:00 p.m. on **Wednesday, May 3, 2017**. Please complete all information accurately as any incomplete and/or inaccurate information may delay your registration from being processed.

First Name	M.I.	Last Name	Credentials
Title		Institution/Hospital/ASC	
Address		ASA Member #	ABA#

SAMBA Social Event: Cinco de Mayo Celebration

Saturday, May 6 from 6:30 pm - 9:30 pm

(Dinner, drinks, and entertainment included)

Yes, I will attend

(Social evening fees included in the registration fee for attendees)

Additional adult and child tickets are required and may be purchased as follows:

Number of Adults (other than yourself)	_____ x \$75	\$ _____
Number of Children (ages 13 and older)	_____ x \$50	\$ _____
Number of Children (ages 12 and under)	_____	No charge

Social Event Subtotal	\$ _____	\$ _____
------------------------------	----------	----------

(Tickets will be collected onsite when entering this event)

Dietary or Special Needs

- I will need special assistance. I will require kosher meals.
 I will require vegetarian meals. I will require gluten free meals.

Payment (Discover not accepted)

- Check** (Make checks payable to Society for Ambulatory Anesthesia. Must be drawn in U.S. funds from a U.S. bank). Mail to:

SAMBA
 8584 Solutions Center
 Chicago, IL 60677-8005

- Please check here if you wish to pay with a credit card,** and a SAMBA representative will send payment instructions in your confirmation email.

Cancellation Policy

Cancellation of meeting registration must be received in writing and will be accepted until **March 24, 2017**. After March 24, there will be no refunds. Your refund, less a \$200 administrative fee, will be sent after the conclusion of the meeting.

Become a SAMBA member and gain access to:

- **SAMBA Annual Meeting** – our yearly three day meeting features education sessions from leading industry professionals, networking events and receptions with fellow anesthesiologists and an exhibit show floor that features the latest innovations and products.
- **Webinar Series** – held during the evenings after most practices close, our webinars focus on key interest areas within the profession and are presented by experts in our field.
- **Discussion Forums** – connect with fellow anesthesiologists, residents, nurses and educators to learn real-world solutions to the questions and challenges you are facing.
- **Clinical Practice Guidelines** – consensus statements on ambulatory anesthesia as they relate to specific conditions and treatments.

Learn more about SAMBA and how to become a member at www.SAMBAhq.org!
